ANNOUNCEMENT OF HEARINGS ON S. 3046

Mr. MORSE. Mr. President, on March 7, 1966, I introduced for the administration S. 3046, the Elementary and Secondary Education Act of 1966.

Hearings on this measure are scheduled to take place before the Education Subcommittee of the Senate Committee on Labor and Public Welfare starting March 31, 1966, at which time the subcommittee expects to take testimony from Secretary Gardner and administration witnesses. On Friday, April 1, Monday, April 4, and Tuesday, April 5 the hearings will continue with testimony to be taken from outside witnesses. I serve official notice in these remarks of the hearings scheduled as I have listed them.

If need is shown for additional time, the subcommittee tentatively plans to continue the hearings later in April.

I am announcing these hearings because I know that many Senators may wish to be heard on various proposals contained in the bill and because of the interest in it on the part of the educational community. Those who wish to submit statements or to be heard on the measure are urged to communicate by letter as soon as is conveniently possible with the Education Subcommittee of the Senate Committee on Labor and Public Welfare, room 4230, New Senate Office Building.

It is our hope that, as in previous years, it will be possible to arrange our witnesses in panels covering the areas of the bill, and while no limitation is placed on written statements for the record, in view of the large number of witnesses expected it is hoped that oral testimony can be kept within a 15- or 20-minute time limitation.

I can assure each witness that full and careful consideration will be given by me and my colleagues on the subcommittee to the written materials submitted.

Mr. President, I further announce that it is my intention to take testimony in conjunction with testimony taken on S. 3046 on the following bills:

S. 2778, introduced by Senator MONTROYA.

S. 2928, introduced by Senator KENNEDY of Massachusetts.

S. 3012, introduced by Senator HARTKE.

Many Senators have introduced or have indicated their intention to introduce extension legislation on the impacted areas. On the date to be announced later, when testimony will be taken from impacted areas school superintendents, I would be most pleased to hear the views of Senators touching upon legislation they have introduced so that in executive session the subcommittee may be able to give full consideration to these many amendments.

ADDRESSES, EDITORIALS, ARTICLES, ETC., PRINTED IN THE APPENDIX

On request, and by unanimous consent, addresses, editorials, articles, etc., were ordered to be printed in the Appendix, as follows:

By Mr. INOUE:

Article entitled "Taking the Long Way to Tipperary," written by Edward Stephen Sean McCormack Sheehan, dealing with St. Patrick's Day.

Article entitled "How L.B.J. Is Running the War," written by Roscoe Drummond and of March 13, 1966.

BRITISH SHIPS TO GET OUT OF NORTH VIETNAM TRADE

Mr. JAVITS. Mr. President, recently I commented on the Department of State's efforts to eliminate free world trade with North Vietnam and inserted in the Record on March 8 a letter I had received in reply to my letter of inquiry to Secretary Rusk.

I am further advised now that all British-flag vessels based in the United Kingdom are either out of trade or getting out of it. The number of Hong Kong-based British-flag ships, owned by non-Communists engaged in the trade, has also been reduced. These remaining British-flag ships are small coastal vessels owned and registered in Hong Kong by Chinese Communist operators.

There being no objection, the letter was ordered to be printed in the Record, as follows:

DEPARTMENT OF STATE,

Washington, D.C., March 14, 1966.

Hon. JACOB K. JAVITS,
U.S. Senate

DEAR SENATOR JAVITS: I was pleased to note that you had my letter of March 4 published in the CONGRESSIONAL RECORD of March 8. You commented that the State Department's actions in eliminating free world trade with North Vietnam have been effective, but that there was no indication of progress being made in our talks with the United Kingdom.

I should like to take this opportunity to tell you of the progress we have made in removing British-flag vessels from the North Vietnam trade. According to our information all British-flag vessels based in the United Kingdom are either out of the trade or getting out of it. The number of Hong Kong based British flagships, owned by non-Communists engaged in the trade, has also been reduced. These remaining British flagships are small coastal vessels owned and registered in Hong Kong by Chinese Communist operators which I mentioned in my earlier letter to you. We have more information on this aspect of the problem which I shall be glad to tell you about if you have time for an appointment before your departure for Latin America.

I hope that this information will be helpful to you, and I trust that you will let me know if there are further questions.

Sincerely,

DOUGLAS MACARTHUR II,
Assistant Secretary for Congressional Relations.

THE PURCHASING OF SURPLUS EQUIPMENT

Mr. JAVITS. Mr. President, I ask unanimous consent to have printed in the Record a resolution of the Board of Supervisors of Chautauqua County, N.Y. regarding purchase of surplus property urging authority for municipalities to purchase surplus equipment prior to offering to public.

There being no objection, the resolution was ordered to be printed in the Record, as follows:

RESOLUTION 61-1966
